Dear Secretary of State,

AQUIND INTERCONNECTOR PROJECT

Further to my correspondence on 25 January 2023, I am writing to make you aware of my submission to the Planning Inspectorate objecting to proposals affecting Portsmouth South.

In my submission, I raised my strong objection to the planning application for the AQUIND interconnector affecting Portsmouth, following action I have been taking on behalf of constituents since 2018 and have written to you about previously.

My submission raises concerns in regard to process and procurement; the project company; the economy; national security; and the environment.

I have attached my submission to this letter. I would urge you to ensure that these views and the views of my constituents are given strong consideration and that their objections are heard loud and clear.

Yours sincerely,

Member of Parliament for Portsmouth South | Shadow Minister for Schools
