Hello

I'm a Portsmouth resident and would like to again state my concerns and wish to not allow aquind to ruin Portsmouth . It's absolutely ridiculous they can appeal again and it won't benenefit any Portsmouth residents but will cause havoc and ruin parts of the city.

We should be investing in our own eather than allowing another country and business to do this.

The council don't want it the people don't want it so we shouldn't have to have it.
