> Further to other correspondence sent to us , please note we not only own or partly own 2 of the parcels of land in question , but have an interested in another parcel of land on your plans which relates to a shared drive access to all the houses and the car parking .

>

> It needs to be noted that this access will need to remain open at all times to give elderly residents , over 80 years of age access to their property as in the area there is no where else to park for over 300M .

>

> The land parcels owned in section 4 relating to [REDACTED] are

> 13915

> 13880

> 13950

>

> Please note we will Not allow any excavation work or construction on the land marked on the plans as this directly impacts the property , the drive and the standalone garage .The area marked also has a boundary fence protecting the properties , and securing protection against noise and disturbance from the main highway , and trees subject to preservation orders.

>

> The parcel of lands indicated also have water , gas , sewage , electricity and fibre pipes leading from the main route across the parcels of land in your plans to number 4 , and the other properties highlighted in your plans.
