Dear Sir/Madam,

Planning Act 2008 (as amended) – section 55

Application by National Grid Electricity Transmission (NGET) for an Order Granting Development Consent for Yorkshire Green

Adequacy of consultation request

I refer to your emailed letter received 24 May 2022 concerning the above matter in relation to Ryedale District Council.

Thank you for your invitation to Ryedale District Council to let you know whether the Council considers that the Applicant has complied, in relation to the above potential application, with the following duties:

Duty to consult - Planning Act 2008 (as amended) (PA2008) – section 42

Duty to consult the local community - PA2008 – section 47

Duty to publicise - PA2008 – section 48

I have been asked to be the contact regarding this work. I have spoken with my colleagues and read the consultation statement provided by the applicant. I offer the following observations:

Duty to consult - Planning Act 2008 (as amended) (PA2008) – section 42

Yes- Ryedale District (A Category) were consulted as a Local Authority as they share their boundary with City of York, Selby District and Hambleton District Councils (B Category and host authorities). We made no response to the consultation.

Duty to consult the local community - PA2008 – section 47

Ryedale District LA is not within the locality of the proposal- the scheme being neither in nor adjacent to the Local Authority. Therefore it is not considered appropriate for Ryedale District Council to comment on this aspect- other Local Authorities who meet this geographical context will be best placed to comment on this aspect.

Duty to publicise - PA2008 – section 48

National publications have been identified, as well as local papers. Ryedale is satisfied with the national publications.

Because Ryedale District is not within the locality of the proposal, it is not considered appropriate for Ryedale District Council to comment on this aspect- other Local Authorities will be best placed to comment on this aspect.

This is an Officer- level response which does not consider the planning merits of the proposal.

Yours faithfully,

Rachael Balmer BSc (Hons) MTP MRTPI
