

## Issue Specific Hearing 1 (ISH1): Scope of the Proposed Development and draft Development Consent Order (dDCO)

### Hearing Action Points

Application by National Grid for an Order Granting Development Consent for the Yorkshire GREEN Project (EN020024).

Actions arising from **ISH1** held on **Thursday 23 March 2023**.

Action	Party	Deadline (D)	
1	Provide a list of the in-line tension pylons	The Applicant	D1
2	Review the wording in the dDCO of the work under Work 8(e) to better clarify the proposed work.	The Applicant	D1
3	Provide a diagram which indicates the Proposed Development which brings together the key information from Access plans, Works plans and Project Description plans for Work No. 8 in the Tadcaster cable sealing end compound (CSEC) area.	The Applicant	D2
4	Applicant to provide a list of key references for documents and plans in regard to Mr Waite on behalf of Mr Ingham's area of interest.	The Applicant	D1
5	Submit a project description clarification note bringing together in writing the matters covered orally under Items 3.1-3.4.	The Applicant	D1
6	Provide a post hearing note to update the indicative construction programme and the Gantt charts to cover the queries raised to align with each other.	The Applicant	D1
7	Ensure that all 'riders' that are contained in the Environmental Statement (ES) are also reflected in the Addendum Landscape and Visual Impacts Assessment (LVIA) document for the travellers' site at the junction of the A1(M) and A63.	The Applicant	D1

Action	Party	Deadline (D)
8	Check that the definition of “maintain” covers all that is required for landscape maintenance.	The Applicant D3
9	Undertake a thorough audit of the dDCO and Explanatory Memorandum (EM) to separate the works to be undertaken and benefits of the Order for Northern Power Grid (Yorkshire) plc and Northern Powergrid (Northeast) plc, including articles 2, 6, 7, and the Protective Provisions.	The Applicant D3
10	Table and map to be provided to clarify the extent of the different Northern Power Grid (NPG) interests: NPG (Northeast) plc and NPG (Yorkshire) plc.	Northern Power Grid (Yorkshire) plc and Northern Powergrid (Northeast) plc D1
11.	Consider providing definitions of the following in the dDCO: ‘cable sealing end compound’, ‘supporting structure’ and ‘construction activities’.	The Applicant D3
12	Remove word ‘commence’ from article 26.	The Applicant D3
13	Consider the best way of presenting non-linear Limits of Deviation (LoD) together with LoD for the linear parts of the Proposed Development in one place.	The Applicant D2
14	Provide clarity to the controls for height as they relate to vertical limits for LoD and the Parameter Plans.	The Applicant D3
15	Clarify what assumptions have been made in the ES about the maximum depth of all underground activities and the relevant LoD.	The Applicant D1
16	Drawing Numbers for the Parameter Plans to be specified in article 5 of the dDCO.	The Applicant D3
17	Update the Parameter Plans to annotate the NPG transformer compound.	The Applicant D2
18	Applicant to consider adding the Environmental Statement to the list of documents to be certified under article 48.	The Applicant D3

	<b>Action</b>	<b>Party</b>	<b>Deadline (D)</b>
19	Consider providing the certified outline landscape mitigation plans in standalone certified document.	The Applicant	D3
20	Update the Explanatory Memorandum to explain why no separate consent is being sought in respect of works affecting scheduled monuments with reference to Ancient Monuments and Archaeological Areas Act 1979.	The Applicant	D3
21	Provide evidence that Historic England is content with the proposed approach in relation to the above.	The Applicant	D2
22	Update the Code of Construction Practice (CoCP) to correct error in cross referencing and clarify project commitments in relation to the mitigation of effects on the scheduled monuments	The Applicant	D2
23	Define 'night time' in the context of overnight closures to the River Ouse in [APP-100].	The Applicant	D2
24	Provide a written list and justification of the Associated Development sought in sections (a) to (u) of Schedule 1. Consider the consolidation of sections (c) and (t) and any other areas of simplification or precision.	The Applicant	D1
25	Consider the wording of Schedule 3 Requirement 1(1)(n) in regard to pre-commencement works and the activities which do not fall within paragraphs (a) to (m).	The Applicant and Local Authorities	D1
26	Submit a framework document/ template to indicate how a staging plan might be structured.	The Applicant	D1
27	Add an implementation clause into Requirement 4 (Stages of authorised development).	The Applicant	D3
28	Produce a one page 'plan of plans' that explains the relationship between the various management plans.	The Applicant	D1

	<b>Action</b>	<b>Party</b>	<b>Deadline (D)</b>
29	Submit final agreed versions of Protective Provisions by Deadline 5.	The Applicant and all relevant statutory undertakers	D5
30	Northern Powergrid to confirm which is the 132kV substation referred to in its relevant representation.	Northern Power Grid (Yorkshire) plc and Northern Powergrid (Northeast) plc	D1
31	Provide an update on progress on Planning Performance Agreements.	The Applicant	D2
