

**YORKSHIRE GREEN
DEADLINE 2 – 24 APRIL 2023
NATIONAL GAS TRANSMISSION PLC**

1. National Gas Transmission plc (“**NGT**”) is a statutory undertaker for the purposes of the Planning Act 2008. NGT has high pressure gas transmission pipelines and above ground installations within or in close proximity to the proposed Order limits. Assets which have been identified as being within or within close proximity to the proposed Order limits are:
 - (a) Transmission Pipelines:
 - (i) Feeder Main 7 Towton to Cawood;
 - (ii) Feeder Main 7 Bardsey to Towton;
 - (iii) Feeder Main 13 Hunsmore to Howton;
 - (iv) Feeder Main 29 Asselby to Pannal.
 - (b) Above Ground Installations:
 - (i) Towton AGI Compound.
2. Further to NGT’s relevant representations which were received by the Examining Authority on 13 February 2023, NGT will require protective provisions to be included within the dDCO to ensure that its interests are adequately protected and to ensure compliance with relevant safety standards.
3. As detailed in the Statement of Common Ground submitted at Deadline 1, NGT consider that the protective provisions within Schedule 15, Part 1 of the dDCO are not sufficient, and is liaising with the Applicant in relation to bespoke protective provisions in respect of NGT’s assets. NGT intends that these be secured by way of a side agreement.
4. NGT will continue to liaise with the Applicant with a view to concluding matters as soon as possible during the DCO Examination, keeping the Examining Authority updated in relation to these discussions.
