

Issue Specific Hearing 4 (ISH4)

Hearing Action Points

Application by National Grid for an Order Granting Development Consent for the Yorkshire GREEN Project (EN020024).

Actions arising from **ISH4** held on **Wednesday 19 July 2023**.

	Action	Party	Deadline (D)
1.	Consider a scheme for the planting of fast growing plants on the northern boundary of the western Temporary Construction Compound at Monk Fryston.	Applicant	D6
2.	Submit comments on the Yorkshire Wildlife Trust letter dated 18 July 2023 [AS-023].	Applicant	D6
3.	Respond to Yorkshire Wildlife Trust's view in [REP4-043] that there would be the potential for bird strike at overhead lines as they cross the River Ouse to cause population effects at a designated site level in relation to: <ul style="list-style-type: none"> - Whooper Swan as a feature of the Ouse and Nene Washes European sites; and - Pink-footed goose as a feature of The Wash and North Norfolk Coast European sites. 	Natural England	D6
4.	Submit the Natural England guidance which states that the Biodiversity Net Gain (BNG) metric that was used at the start should be retained.	Applicant	D6
5.	Provide a copy of comments to the Applicant on the 4 th draft of the s106 agreement concerning BNG.	Leeds City Council	D6
6.	Submit comments on updated Construction Traffic Management Plan (CTMP).	North Yorkshire Council	D6
7.	Provide reasons for concerns about Heavy Goods Vehicles (HGVs) passing through the village of Lumby and any potential mitigation measures that could be used throughout the village rather than the alternative haul road, if it is not confirmed.	North Yorkshire Council	D6
8.	Set out the haul road alternative proposal to avoid HGVs through Lumby and provide update on progress on landowner agreement.	Applicant	D6
9.	CTMP update if landowner agreement confirmed for haul route to avoid use of Access Point 8 by HGV traffic.	Applicant	D7

	Action	Party	Deadline (D)
10.	Confirm agreement to Change Number 3.	North Yorkshire Council	D6
11.	Submit relevant details of statutory guidance on clearance distances above the banks of watercourses, in regard to the comments on this matter made by Ainsty Internal Drainage Board (IDB).	Applicant	D6
12.	Confirm that the position has moved on and there is now agreement to the noise assessment in terms of the application of Annex E ABC categories to determine significance for the construction noise assessment.	North Yorkshire Council	D6
13.	Consider the alternate Sunday working arrangements that are included in the Orders for Hinkley Point C Connector and Richborough Connection Project.	North Yorkshire Council	D6
14.	Consider the alternate Sunday working arrangements that are included in the Orders for Hinkley Point C Connector and Richborough Connection Project and provide an assessment of the implications for the construction programme should a comparable provision be inserted into Requirement 7.	Applicant	D6
15.	Comment on the Applicant's proposed Saturday piling hours of 09:00 to 14:00, in the context of the British Standard (08:00 to 13:00), under Requirement 7(2).	North Yorkshire Council	D6
16.	Provide final position statements on working hours.	Applicant	D7
17.	Provide final position statements on working hours.	North Yorkshire Council	D7
18.	Consider additional wording in the Code of Construction Practice (CoCP) to cover the use of a carbon interface tool and weighting of sustainability measures in tenders for contractors.	Applicant	D6
19.	Statement regarding security for Substation sites.	Applicant	D6
	Draft Development Consent Order (dDCO)		
20.	Prepare and submit a simple table listing each dDCO provision for which there is an outstanding objection, to record: <ul style="list-style-type: none"> - the party or parties objecting, - the specific matter in contention, 	Applicant	D6

	Action	Party	Deadline (D)
	<ul style="list-style-type: none">- that party's position or preferred wording (where available); and,- the Applicant's response to that objection.		
21.	To confirm withdrawal of objection to Article 13.	North Yorkshire Council	
22.	Ainsty IDB are invited to respond on Article 19: Discharge of Water.	Ainsty IDB	D6
23.	Consider wording of Article 46(7)(b) to cover the situation where the Local Planning Authority did not agree with the hedgerow removal.	Applicant	D6
24.	Consider whether Article 51 is necessary in light of the made Longfield Solar Farm Order.	Applicant	D6
25.	Schedule 1: Consider whether Work No. U8 can be removed from the dDCO.	Applicant	D6
26.	Requirements 8, 9 and 10: Provide a written summary of oral submissions made about the replacement and reinstatement planting and consider which management plan should be updated to include this information.	Applicant	D6
27.	Requirement 8(2): delete 'proposed'.	Applicant	D6
28.	Requirement 8(3): check whether there is any inconsistency between 'first operational use' and the commitment in the Embedded Measures Schedule to 'before completion of the substation'.	Applicant	D6
29.	Consider narrowing the drafting of Requirement 18(2) in relation to 'having regard to' and the need for the tailpiece.	Applicant	D6
30.	Respond to updated Requirement 18.	North Yorkshire Council	D6
31.	Update CoCP to cover community liaison and appropriate communication with hard-to-reach groups and consultation with the Traveller Community or its representative prior to submission of the Site Specific Mitigation Scheme under Requirement 19.	Applicant	D6
32.	Consider the need for the tailpiece in Requirement 19(3).	Applicant	D6
33.	Confirm whether or not you are content with the drafting of Requirement 19 in light of the Council's public sector equality duty.	North Yorkshire Council	D6

Action	Party	Deadline (D)
34.	Provide a response to amending Schedule 1 as an alternative to National Highways' objections in the event that agreement isn't reached on Protective Provisions.	Applicant D6
35.	Consider the need for a definition of 'application' in Schedule 4 Paragraph 5 (Interpretation).	Applicant D6
36.	Update the CoCP wording to include generalised wording regarding working with affected landowners post-consent where it is necessary to have alterations within the Limits of Deviation and to make specific reference to work in the vicinity of Pylons SP005 and SP006.	Applicant D6
37.	Update progress on the Service Level Agreement and implications for Schedule 4.	Applicant D6
38.	Confirm the current status of the Continental Link and Atlantic Superconnection schemes.	Applicant D6
