**Date:** 30 August 2023 23:26:26

---

*Dear Sir / Madam*

*I refer to Relevant Representation RR-033 which I made on 2 February 2023*

*Having considered the responses from the Applicant and following further discussions with National Grid and their agents around the use of the role of the Agricultural Liaison Officer to manage the construction works phase I am content that the issues raised have been dealt with and therefore wish to withdraw these objections.*

*Yours faithfully*

*Paul Swales*
