The report has been prepared for the exclusive use and benefit of the Applicants and solely for the purpose for which it is provided. Unless otherwise agreed in writing by RPS Group Plc, any of its subsidiaries, or a related entity (collectively 'RPS') no part of this report should be reproduced, distributed or communicated to any third party. RPS does not accept any liability if this report is used for an alternative purpose from which it is intended, nor to any third party in respect of this report. The report does not account for any changes relating to the subject matter of the report, or any legislative or regulatory changes that have occurred since the report was produced and that may affect the report.

The report has been prepared using the information provided to RPS by its client, or others on behalf of its client. To the fullest extent permitted by law, RPS shall not be liable for any loss or damage suffered by the client arising from fraud, misrepresentation, withholding of information material relevant to the report or required by RPS, or other default relating to such information, whether on the client's part or that of the other information sources, unless such fraud, misrepresentation, withholding or such other default is evident to RPS without further enquiry. It is expressly stated that no independent verification of any documents or information supplied by the client or others on behalf of the client has been made. The report shall be used for general information only.

**Morgan and Morecambe Offshore Wind Farms: Transmission Assets  
The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017**

**Regulation 8(1)(b) Notification of Intent to Provide Environmental Statement**

Dear Sir or Madam,

Morgan Offshore Wind Limited, and Cobra Instalaciones y Servicios, S.A. and Flotation Energy plc (a joint venture now referred to as Morecambe Offshore Windfarm Limited) (the Applicants) intend to jointly seek development consent for the offshore and onshore transmission assets associated with the Morgan Offshore Wind Project and Morecambe Offshore Windfarm under the Planning Act 2008.

The development will constitute "EIA development" under The Infrastructure Planning (Environmental Impact Assessment) Regulations 2017 ("the 2017 Regulations") and the Applicants are notifying the Secretary of State of their intention to submit an Environmental Statement in respect of the development under Regulation 8(1)(b) of the 2017 Regulations.

Should you require any further information, please do not hesitate to contact the undersigned. Additionally, further information on the proposed project can be found on the website: <https://www.morecambeandmorgan.com/>.

Yours faithfully,

██████████

Morgan Offshore Wind Limited
