The Planning Inspectorate
Temple Quay House
Temple Quay
Bristol BS16PN.

Dear Sir/Madam,

I would like to present my strong protest against the proposed gas storage at Preesall by Halite.

For years now myself and family have been living in fear of the proposed plans by Canatax and now Halite. There has been a huge public outcry against the applications which have so far thankfully been refused despite the continued bullying of us by Halite.

The constant message from local people, local council, county council, local MPs etc etc is a resounding NO on the grounds of safety, but Halite continue to bully and frighten us and now use the Planning Inspectorate in order to get their own way. We all urge you not to side with Halite, but with the community who live and work here.

Yours Faithfully

Mr John S. Bradbury M.B.E.
