Dear Sirs

PROPOSED UNDERGROUND GAS STORAGE FACILITY
PREESALL SALT FIELD LANCASHIRE
DEVELOPMENT CONSENT ORDER
PLANNING INSPECTORATE REFERENCE NO: EN030001
PLOT NOS: 30, 31, 32, 34 AND 35 BLACKPOOL & THE FYLDE COLLEGE

We are instructed by Blackpool & The Fylde College ("College") (who are an Affected Party) in relation to this development. Please could you update your records to ensure that all correspondence is sent to us in future quoting reference VJB/78790/120070.

The College is currently in negotiations with the applicant's agents and hopes that an agreement for grant of easement can be entered into in relation to the rights required over the College's land. However, the College currently has concerns over the extent of the rights sought and the impact on the College and therefore must reserve its position at this stage.

Accordingly, in accordance with the timetable set out in your letter of 2 May 2012, we write to advise you that the College wish to reserve their position to be heard at the Compulsory Acquisition Hearing in October.

Yours faithfully
