Dear Mr Hudson

**Re: Proposed Underground Gas Storage Facility Preesall, Lancashire  
Compulsory Acquisition Hearing on the 9th and 10th October 2012.**

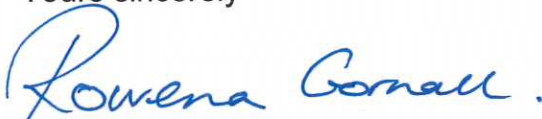

Thank you for your letter dated 26 September 2012 regarding the above hearing dates.

The Council do not wish to raise any objections on Compulsory Purchase Grounds and therefore I do not feel that there is a requirement to attend the above hearings.

I trust this is acceptable.

Kind regards

Yours sincerely
