Dear Mrs Duxbury

**RE: Proposed Underground Gas Storage facility at Preesall
(EN030001)**

Further to previous discussions and concerns regarding the Tramway, I can confirm that:-

- 1) Blackpool Transport Services will agree to whatever action Blackpool Council takes with regards to this matter and
- 2) Any objection raised by Blackpool Transport Services is formally withdrawn.

As the licenced operator of the Tramway, naturally our concerns are similar to those of Blackpool Council and we are happy to leave the matter in the Council's hands.

Yours sincerely 

Trevor Roberts
Managing Director
