Dear Sir/Madam

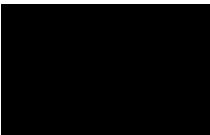

Preesall Underground Gas Storage Facility

Thank you for your letter of 8 April 2014.

The Town Council is concerned that the Minister is notifying interested parties that he considers further representations are required on the five matters listed in the letter. In the Town Council's view, the applicant has had ample time to provide all the information required and does not believe that the applicant should be given a further opportunity to do so.

The Town Council believes that the Minister's redetermination should be based on the information available at the time he made his original determination.

Yours faithfully

Jan Finch
Clerk to Preesall Town Council
