Subject: RE: Preesall Saltfield Underground Gas Storage - EN030001

Hi,

We can confirm that Fulcrum Pipelines Limited have no comments to make at this stage of the consultation. Please note that we are constantly adding to our underground assets and would strongly advise that you consult us again prior to undertaking any excavations.

Please note that other gas transporters may have plant in this locality which could be affected.

We will always make every effort to help you where we can, but Fulcrum Pipelines Limited will not be held responsible for any incident or accident arising from the use of the information associated with this search. The details provided are given in good faith, but no liability whatsoever can be accepted in respect thereof.

If you need any help or information simply contact Fulcrum on 0845 641 3060

Yours sincerely,

DEBBIE TURNER
Technical Administrator
