Dear Sir/Madam

## **Preesall Underground Gas Storage Facility**

I refer to your letters of 31 July and 14 August 2014 and wish to make the following points.

The Town Council has considered the geological report and the subsequent additional information requested by the Protect Wyre Group and are satisfied that this has proved that the site will not accommodate the volume of gas that Halite have said it would take and that the recent seismic survey will not show where faults lie.

Yours faithfully

**Jan Finch**  
Clerk to Preesall Town Council
