Dear Mr Scott

**Preesall-Saltfield Underground Gas Storage Facility, Lancashire  
Consultation of further written representations received (pursuant to Rule 20(2) of the Infrastructure  
Planning (Examination Procedure) Rules 2010) and other relevant information**

Thank you for your pre application enquiry for Consultation of further written representations received (pursuant to Rule 20(2) of the Infrastructure Planning (Examination Procedure) Rules 2010) and other relevant information. **Please let us know if the description and address details are not correct.** I am the person dealing with your application, my contact details are at the top of this letter. If you need to you can discuss your application with me. If you want to visit our offices please make an appointment.

Your proposal may also need Building Regulations approval. You can find guidance, application forms and charge information on our website at [www.sefton.gov.uk/building](http://www.sefton.gov.uk/building). Alternatively you can call our Building Control Team on 0151 934 4622 or write to us at Magdalen House (address at the top of this letter). Building Regulations and Planning approvals are issued separately – works should not start until both approvals are given.

Yours sincerely

*Ms Andrea Dimba*
