Dear Tracey,

Re: Planning Act 2008 (as amended) – Section 55 Application by Keuper Gas Storage Limited for an Order Granting Development Consent for the Keuper Gas Storage Project - Adequacy of consultation request

Thank you for inviting St.Helens Council to express its views on the adequacy of the pre-application consultation undertaken in relation to the above proposal.

I can confirm that the Council as Local Planning Authority considers that the pre-application stage consultation with the Council undertaken by the developer has been adequate in terms of the statutory duties outlined in your letter dated 24th November 2015. St.Helens Council cannot comment on the overall adequacy of the pre-application consultation taken as a whole.

Yours sincerely,

Gerard Woods
Planning Policy Team Leader
