Dear Sir/Madam,

I write in response to your letter dated 24th November 2015 ref:EN030002 concerning the application by Keuper Gas Storage Ltd for an order granting development consent for the Keuper Gas Storage Project.

The Council can confirm in its position as Local Planning Authority for the Borough of Halton, the Applicant has complied in relation to the duties set out at S.42 S.47 and S.48 of the Planning Act 2008.

I trust this response is sufficient for your records.

Yours sincerely,

Andrew
