<p>Paragraphs 19.1 – 19.7 of document 10.1 – Responses to Relevant Representations</p>	<p>Keuper Gas Limited</p>	<p>The University acknowledges that the gas processing plant and much of the other surface plant infrastructure is outside the consultation zone, however, as set out at paragraph 9.2 of the University’s Written Representations, we do not consider that the line of the consultation zone of itself delimits where potentially harmful interference may occur.</p> <p>The University acknowledges that the HGSL and SGSP gas processing plants and much of their infrastructure are within the consultation zone. As set out at paragraph 11.4 of the University’s Written Representations, it is difficult to distinguish individual sources of interference without additional information. To this end, the University has requested information from the operators of HGSL and SGSP and we will update the examination accordingly.</p> <p>With regard to the likely level of emissions at radio frequencies arising from equipment, and the assessment (cumulative or otherwise) of any impact on Jodrell Bank please see paragraphs 9.4-9.9 of the University’s Written Representations.</p> <p>The University welcomes the Applicant’s commitment to work with us to minimize any potential impact on Jodrell Bank and acknowledges that a draft Statement of Common Ground was provided to the University for comment on 29 April 2016.</p>
