Dear Sirs,

Further to recent notification regarding the above project, please note the following response made by SP Energy Networks on behalf of SP Manweb, due by 5th July 2016.

SP Energy Networks has helpfully been sent a copy of the Applicant's proposed protective provisions. The relevant powers detailed in the proposed protective provisions are referred to in Part 4 For the Protection of SP Energy Networks. Whilst no impediment has yet been identified, these remain the subject of ongoing negotiation between SP Manweb and the applicant with both parties working together to reach agreement. A further update will be provided on behalf of SP Manweb to the Examining Authority in due course.

Thank you

Steve
