Dear Ms Williams

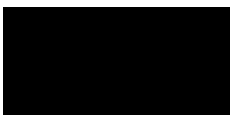

## Keuper Gas Storage Project: Deadline 6

We write to update the Examining Authority as to the continuing discussions between the Applicant and Cheshire West and Chester Council ("CWCC") in relation to the issue of noise, and, specifically, the provisions of both Schedule 2 Requirement 5 of the draft DCO and the draft CEMP.

Those discussions are ongoing to address CWCC's comments at deadline 5 and the Applicant is confident that an agreed position can be reached. The Applicant is not, however, in a position to submit a revised draft of the DCO in time for deadline 6.

If you have any questions, or require any additional information, then please do not hesitate to contact me.

Yours sincerely

Paul Zyda
