Dear Ms Williams

Keuper Gas Storage Project Deadline 8

We write in respect of the above. Please find enclosed the following:

- The Applicant's written response to submissions made on behalf of Holford Gas Storage Limited at deadline 7;
- Draft DCO Revision 7, in both clean and tracked changes versions; and
- Updated DCO change log.

The Applicant has incorporated the entirety of the wording requested by the University of Manchester into Requirement 24 of Schedule 2 of the draft DCO with only very minor drafting revisions, none of which affect the substance of the proposals.

The Applicant has also recently received the latest draft of the s.106 agreement from Cheshire West and Chester Borough Council and anticipates being in a position to finalise this shortly.

If you have any questions or require any further information, please do not hesitate to contact me.

Yours sincerely

Paul Zyda
