Dear Ms Williams

**Keuper Gas Storage Project - Deadline 9 Submission on behalf of Holford Gas Storage Limited ("HGSL")**

We write in respect of HGSL's submissions in relation to Paragraph 64(3) of Part 5 of Schedule 9 of the draft DCO, which appear on pages 4-5 of the above document.

Keuper Gas Storage Limited ("KGSL") has considered the matter and recognises that details (however general) of commercial arrangements between the parties are not something that the Examining Authority should consider when determining the DCO application. As such, KGSL withdraws its comments in paragraph 5.2 of its Deadline 8 submission and requests that the Examining Authority does not take them into account in the consideration of this application. We enclose a further copy of KGSL's Deadline 8 submission with paragraph 5.2 removed and request that the Examining Authority puts this on the public record in place of the previously submitted version.

If we can assist further, please do not hesitate to let us know.

Yours sincerely

Paul Zyda  
Principal Solicitor
