**Subject:** KeuperGSP Project - Non Material Change 1 EN030002

Dear Planning Inspectorate

Further to the notification received from Keuper Gas Storage Limited, dated 17 November 2022 regarding the Non Material Changes to the nature of gas stored and layout for the site, I can confirm that as the overall development site lies outside the coalfield area, the Coal Authority's planning team have no specific comments to make on this consultation.

Kind regards

Deb Roberts
