**Subject:** Keuper Gas Storage Project - Non Material Change Application - April 2023 - HSEs Response dated 28/04/2023

Dear Melissa

With regard to the Non Material change for the Keuper Gas Storage Facility Order 2017.

HSEs advice is as follows:

**CEMHD5 Land Use Planning:**

Given that the proposed Non Material Change application does not mention a need to vary Hazardous Substance Consent(s), on that basis our response is we have no comment to make.

**CEMHD7 Explosives:**

No comment to make in regards to this development as there are no HSE Licenced sites in the vicinity of the proposed development.

Sent on behalf of NSIP Team

Kind Regards

Shirley
