

Application by RWE npower for the Willington C Gas Pipeline

Hearing Agenda: Issue Specific Hearing

Infrastructure Planning (Examination Procedure) Rules 2010

The Hearing will commence on Wednesday 9 April 2014 at the King Edward Room, Town Hall, King Edward Place, Burton upon Trent. Doors will open at 9.30am, and the hearing session will commence at 10.00am. The Examining Authority (ExA) will allow morning and afternoon comfort breaks at a convenient point in the hearing, and a one hour lunch break.

This agenda is for guidance only. It is not designed to be exclusive or exhaustive. The ExA may add other issues for consideration, may alter the order in which issues are considered and will seek to allocate sufficient time to each issue to allow proper consideration of them. However, should the consideration of the issues take less time than anticipated, the ExA may conclude the hearing as soon as all relevant contributions have been made and all questions asked and responded to. If there are additional matters to be dealt with or there are submissions that take a considerable amount of time at the hearing there may be a need to continue for longer on the day or at a subsequent sitting.

Invited attendees

The following persons are invited to attend the hearing to address matters identified in this agenda:

- Representatives of the applicant who are in a position to discuss the matters on the agenda
- Any other interested parties who wish to take part in the hearing

Agenda

1. Introduction
2. Purpose of hearing
3. Flood risk assessment in the floodplain of the River Dove and the area of Egginton, including a brief presentation on the work carried out to date
4. Any other matters
