**Dear Jackie Anderson**

**Application by National Grid Gas plc for an Order Granting Development Consent for the River Humber Gas Pipeline - Adequacy of Consultation under Section 55 of the Planning Act 2008 (as amended).**

I am responding on behalf of the East Riding of Yorkshire Council ('the Council') to your letter dated 16 April 2015 seeking a representation from the Council on the adequacy of the consultation that has been undertaken in respect of the above project.

I can confirm that the Council does not wish to raise any concerns with regard to the adequacy of consultation in respect of Section 42, 47 or 48 of the Act or the submitted Consultation Report.

Please note these comments are in respect of the consultation process only and do not bind the Council on any future consultations on the scheme. The Council will provide any necessary comments on the merits of the proposal at the relevant time following formal consultation from the Planning Inspectorate.

**Regards**

**Anthony Devey MPlan**
