Dear Sirs

**APPLICATION BY NATIONAL GRID GAS FOR AN ORDER GRANTING DEVELOPMENT CONSENT FOR THE RIVER HUMBER GAS PIPELINE REPLACEMENT PROJECT (DCO)
 RESPONSE TO RULE 17 – REQUEST FOR FURTHER INFORMATION**

Annexe A – Point 11

Landowner/ Interest	Plot No.	Category of Interest	Summary of Objections
J Finch JC & JD Faulding, Reeve Brothers (Farmers) Limited	60, 61, 67, 68, 69, 85, 86, 87, 88, 108, 70 → 83, 89 → 92, 97, 100 → 108, 114, 115	1	<p>The Examining Authority has requested comments concerning archaeological mitigation works now proposed as referenced as Areas A-D (REP7-007).</p> <p>Notification of the required archaeological mitigation works were only sent to the landowners/occupiers on the 26 February 2016 and, therefore, no discussion has been held with the landowners/occupiers in relation to the impact of the very large archaeological digs that are proposed.</p> <p>The scale of the archaeological digs will have an effect on cropping proposed for the land in question and implications to the Basic Payment Scheme application to the Rural Payments Agency. Given the timing of this notification this may have significant impact on the occupier's application to the RPA for the BPS as the land will be deemed to be ineligible for the application process.</p>

			<p>The Occupier will need to consider re-calculating the greening requirements as a direct impact of the proposed works.</p> <p>If the Applicant undertakes to compensate the Landowners and Occupiers in line with Industry agreed compensation, there would be no further objection from the parties affected.</p>
