Dear Mandy Loach

The Planning Act 2008 (as amended – PA 2008) s102A and 102B

Application by National Grid Carbon Limited for an Order Granting Development Consent for the Yorkshire and Humber Carbon Capture Transportation and Storage Cross Country Pipeline

Request under s102A of the Planning Act 2008

Thank you for your request to become an interested party submitted on 1 October 2014.

On the basis of the information provided, I, as Examining Authority have decided that should the Order sought by the application be made, you might be entitled to make a relevant claim and are therefore within Category 3 in s102B(4).

This letter therefore constitutes notification that you have become an interested party and a copy of this letter is being sent to the applicant and published on the Planning Portal website pages for this project. A copy of the Panel's letter to all interested parties (dated 24 October 2014) under Rule 6 of the Infrastructure Planning (Examination Procedure) Rules 2010 has been sent to you under separate cover.

Yours sincerely

Andrew Mead

Andrew Mead
Examining Authority

cc. National Grid Carbon Limited

Advice may be given about applying for an order granting development consent or making representations about an application (or a proposed application). This communication does not however constitute legal advice upon which you can rely and you should obtain your own legal advice and professional advice as required.

A record of the advice which is provided will be recorded on the Planning Inspectorate website together with the name of the person or organisation who asked for the advice. The privacy of any other personal information will be protected in accordance with our Information Charter which you should view before sending information to the Planning Inspectorate.
