For the attention of Sarah Jones, Case Manager

We have spoken on the 'phone about parking for a small coach near our house for the site visit. I am writing in order to formally meet the deadline date of 23 January 2015. We look forward to showing the inspector how badly we will be affected should the work needed to provide a temporary vehicle park go ahead opposite our house. I also hope the inspector will be able to look at an alternative site just a few hundred metres west on the A164 where there is a large exit slip road leading to an area of hard standing needing no tree removal, gate widening or rubble removal.
