To Sarah Jones, Case Manager

In response to your letter of the 2<sup>nd</sup> January concerning the site visit and hearings we respond as follows. CPL confirm that we do not wish to attend the site visits but that we do plan to attend certain of the hearings. We do not, however, wish to speak at any of the hearings. You will be aware from our Written Representation that CPL has an interest in the resolution of the leasing/easement arrangements of certain parcels of the land at the Drax site required for both the pipeline and the oxy-power plant the subject of the separate DCO application which CPL has submitted and we are working with Drax and NGCL on these. If the inspector needs any update from us on the progress of the work on this issue, either at or outside the hearings, we would be pleased to provide it.

Yours sincerely

Robert Rattee
