Dear Mr Davies

**APPLICATION BY NATIONAL GRID CARBON LIMITED FOR AN ORDER GRANTING  
DEVELOPMENT CONSENT FOR THE YORKSHIRE & HUMBER CCS CROSS COUNTRY  
PIPELINE - ADEQUACY OF CONSULTATION REQUEST**

Thank you for providing Wakefield Metropolitan District Council with the opportunity to comment on the adequacy of the consultation conducted by the applicant at the pre-application stage of the above scheme for the purposes of meeting the following duties:-

- Duty to consult – PA2008 – Section 42
- Duty to consult the local community – PA2008 – Section 47
- Duty to publicise – PA2008 – Section 48

Wakefield Council is of the view that whilst the scheme does not directly affect Wakefield district, Council officers have been afforded the opportunity to comment and are satisfied at the level of involvement the Council has had during the pre-application stage.

Should you require anything further in this regard, please do not hesitate to contact me.

Yours sincerely

Julie Greenfield
