Dear Sir/Madam

Application by National Grid Carbon Limited for an Order Granting Development Consent for the Yorkshire & Humber CCS Cross Country Pipeline

Notification for the cancellation of the any residual issues hearing

I refer to my letter dated 2 January 2015, confirming the date, time and place of the accompanied site visit and hearings. This letter can be viewed by following this link:

<http://infrastructure.planningportal.gov.uk/document/2877597>

Friday 6 February 2015 is reserved for the discussion of any residual issues from the previous hearings. I stated in my letter of 2 January 2015 that if no issues are identified over the course of the previous fortnight as requiring further examination, then there will be no hearing on this day.

As I have not identified any further issues I have therefore decided to **cancel** the hearing.

I would like to take this opportunity to thank all the parties who were involved in the accompanied site visit and hearings.

Yours faithfully

Andrew Mead
