Dear Planning Inspectorate

My wife and I have lived at the above address for just over 3 years. We were not aware of any pipeline being placed near our property. I have sent numerous emails to national grid which I hope have been logged and are at your disposal. I have been to a more recent meeting with national grid with my neighbour Mr Steven Harper. Who brought a lot of points to the meeting which makes me have no confidence in the pipe line near my family home. I wish to give Mr Harper my full consent to represent my family on our behalf against the re-routing of this pipeline away from our family home

Many thanks  
Alan Barker
