Subject: Accompanied Site visits and hearings

Dear Ms Jones

Please note that Peter Mawer of Cranswicks together with the occupants of Hamilton Hill, Low Farm and High and Low Stonehills Farms, namely [REDACTED] wish to attend the accompanied site visit on Wednesday January 28th. Please could you arrange to visit the pumping station site and the pipeline routes across Glendon Estate (Hamilton Hill, High and Low Stonehills and Low farm) at the sea end of the proposals first as they are nearest Barmston Village Hall which is your starting point

Could you also please reserve the opportunity for each of us to speak at the Open floor Hearing on the evening of Wednesday 28th January although the others may wish to defer that responsibility to me in due course.

I also wish to represent Glendon Estate, GL Riby and G Warkup at the Issue Specific Hearings as follows

- 1) draft DCO - on Thursday 29th January possibly with technical adviser
- 2) construction operations – on Tuesday February 3rd 2015
- 3) minerals – on Wednesday February 4th 2015 possibly with technical adviser
- 4) Compulsory acquisition hearing - Thursday February 5th 2015

Please advise me of the dates by which you will require to receive any further evidence for submission prior to these Hearings

Yours Sincerely

Peter Mawer
