1st April 2015

Dear Sir,

Application for the Yorkshire and Humber Carbon Capture and Storage (CCS) Cross Country Pipeline Development Consent Order (Reference: EN070001)

Please find enclosed two hard copies and two cd copies of our submission documents for Deadline 6. A full list of the submission documents can be found in table format in document 15.4.

An explanation of information submitted by National Grid for this Deadline is set out below.

1. Drax PIG Trap Drawings (Document 2.18, 2.19, 2.20 and 2.22 Rev C)

As advised in in document 14.1, page 5, submitted by National Grid at Deadline 5, updated Drax PIG Trap plans are included (Document References 2.18, 2.19, 2.20 and 2.22) reinstating the height of the security fence to 2.4 metres. Approved Plans Schedule 2 Part 4 and Part 6 of Revision F of the draft DCO has also been updated to reflect this position

2. Applicant's revised draft DCO (Documents 3.1, 3.2 and 3.7)

- A revised draft DCO (Document 3.1 Rev F)
- A revised Explanatory Memorandum (Document 3.2 Rev F); and
- Commentary on Revision F of the Draft Development Consent Order (Document 3.7)

3. Updated Code of Construction Practice (Document 7.5 Rev E)

The Code of Construction Practice (Document 7.5) as submitted at Deadline 4 has been revised to include an updated Appendix A on Biodiversity Enhancement and to reflect changes set out in document 14.2 as submitted at Deadline 5. Minor alterations have also been made to the table in Appendix A to ensure the enhancement measures are consistent with the approved AGI planting drawings. A tracked change version of this table can be provided if required although the changes are inconsequential in terms of the enhancements proposed. This version of the Code of Construction Practice replaces that submitted at the 4th March 2015.

4. Submission on Cathodic Protection (Document Reference 15.1)

A note to explain changes to the draft DCO with regards to the inclusion of certain cathodic protection apparatus.

5. Updated Schedule of Compulsory Acquisition (Document 15.2)

A schedule of Compulsory Acquisition as of 31st March 2015 is included at Document 15.2

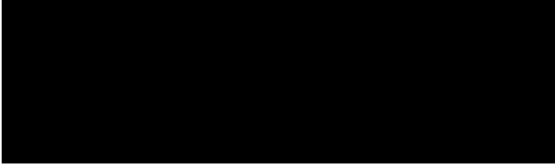

Securing our energy supply for future generations.

6. List of Deadline 6 Documents (Document 15.3)

A list of documents submitted by National Grid for Deadline 6 can be found at document 15.3.

If you wish to discuss any of these items further, please do contact me.

Yours faithfully

Richard Gwilliam
Senior Consents Officer
National Grid
