Steffan,

Thank you for your reminder in relation to the email and letter sent by the ExA yesterday.

The ExA has raised a number of questions. The following question is relevant to my client, Yorkshire Water Services Limited ("Yorkshire Water"):

## **"2. Statutory Undertakers**

***Response required from: the applicant, Network Rail, Northern Powergrid (Yorkshire) Plc, Drax Power Limited, Capture Power Limited, Ineos Manufacturing (Hull) Limited, Government Pipeline and Storage Systems, Environment Agency and Yorkshire Water Services Limited***

*Where representations about acquisition relating to the project have been made by statutory undertakers and with regard to s127 (1)(b) of the PA2008, is the applicant able to provide evidence confirming that those representations have been withdrawn?*

*Are the statutory undertakers able to directly communicate that withdrawal to the ExA before the close of the Examination?"*

An asset protection agreement between Yorkshire Water and the Promoter has been agreed and has been signed by Yorkshire Water. However, the agreement has not yet been completed as it is still in the process of being executed by the Promoter. As soon as it has been executed, we should be in a position to complete the agreement. At that stage I will be able to withdraw my client's representations to the DCO.

I have copied this email to Jessica Wickham (solicitor at BLP acting for the Promoter) and ask that she provides an update as to when she expects to be in a position to complete the agreement.

Regards
