

Dear Steffan

In response to the Inspector's question in Annex B of his letter of 8th April 2015, the only outstanding matter for the Council relates to the Section 38 Agreement which has not yet been completed. A final version has been agreed with the applicant and the Council are waiting for the applicant to return it engrossed to allow for completion. We anticipate that this will be resolved before the end of the examination.

Regards,

Hannah
