Dear Mr Jones

**Re: Application by Esso Petroleum Company Limited for an Order granting
Development Consent for the Southampton to London Pipeline Project**

I refer to your letter dated 14 May 2019 concerning representation on whether or not the applicant has complied with the duties to consult (section 42), to consult the local community (section 47) and publicise (section 48) the project for a replacement underground aviation fuel pipeline from Fawley Refinery to the London Terminal storage facility in Hounslow.

Press publication includes the Hampshire Chronicle that whilst available locally is not likely to be read extensively within the city. Notwithstanding this, the City Council is satisfied with the adequacy of Esso's Consultation Report and Appendices describing what has been done to comply with sections 42, 47 and 48 of the Act.

Yours sincerely

A Banting

Alan Banting
DM Team Leader (Planning)
