

Dear Mr Jones

Thank you for your email, inviting representations from local authorities as to whether the developer has complied with its duties to consult on and publicise the proposals under the Planning Act 2008.

I am writing on behalf of Spelthorne Borough Council, one of the host authorities for the project. I can confirm we were invited to comment on the draft Statement of Community Consultation in July 2018 and were consulted on the scheme itself throughout the pre-application stage, from the initial route corridors to the design refinements and final route. Spelthorne is satisfied that the Consultation Report is an accurate account of the extensive engagement undertaken by the developer and that the borough and its communities have been consulted in accordance with statutory duties.

Kind regards

Ann
