Subject: Southampton to London Pipeline Project

Dear Sir/Madam,

We have been notified by the promoter of the Southampton to London Pipeline Project development consent application.

The Canal & River Trust (the Trust) is the guardian of 2000 miles of historic waterways across England and Wales. We are among the largest charities in the UK. Our vision is that “living waterways transform places and enrich lives”. We are a prescribed consultee in the Nationally Significant Infrastructure Project (NSIP) process.

The Trust has reviewed the proposal, and on the basis that it appears unlikely to have any impact on our waterways, we have no comment to make at this time.

Kind regards,

Tessa Craig
