

EN070005 Southampton to London Pipeline Project

Preliminary Meeting Seating Plan

Wednesday 9 October 2019 – Farnborough International Exhibition and Conference Centre, Elps Road, Farnborough, GU14 6FD.

The meeting begins at 10.00 and seating will be available from 09.30.

In order to assist the smooth running of the Preliminary Meeting (PM) the Planning Inspectorate (the Inspectorate) has created a seating plan, allocating seats to those who notified the Inspectorate of their intention to attend the PM by the given deadline (Thursday 19 September 2019).

For those who have not notified the Inspectorate of their intention to attend, unreserved seating will be available, as shown below, from 09.30.

The parties will note that the Preliminary Meeting dictates a theatre-style layout, and accordingly no tables will be available.

Please note that the Applicant is seeking to live stream the event to its offices and a camera will be in the room to do so. It is important to note that this is not a recording. The Examining Authority will ask anyone present if they have any concerns relating to this matter.

If you have any specific access needs that you have not made the Inspectorate aware of then please do not hesitate in contacting us.

The Inspectorate reserves the right to amend the seating plan if it is necessary. Copies of the final seating plan will be available at the venue and the case team will be available on the day to help you with any specific requirements.
