Dear Sir/ Madam

The Planning Act 2008 – Section 89 and The Infrastructure Planning (Examination Procedure) Rules 2010 – Rule 8

Application by Esso Petroleum Company, Limited for an Order Granting Development Consent for the Southampton to London Pipeline Project

Examination Timetable and Procedure

This letter provides you with the Examination Timetable, details of the publication of the Examining Authority's Written Questions and other important information about the Examination.

All documentation associated with this project, including a note of the Preliminary Meeting and the audio recording taken at that meeting, can be found using this link:

<https://infrastructure.planninginspectorate.gov.uk/projects/south-east/southampton-to-london-pipeline-project/?ipcsection=docs>.

The Examination Timetable

We have made a Procedural Decision about the way the application will be examined. The final Examination Timetable is attached at **Annex A**.

The Examination Timetable replaces the draft timetable that was included in the Rule 6 letter dated 5 September 2019¹. In finalising the Examination Timetable, we have sought to accommodate requests and suggestions made at the Preliminary Meeting and in representations submitted in advance of that meeting. The changes made to the draft timetable are explained further in Annex B to this letter.

¹Your invitation to the Preliminary Meeting

Please note that the Examination Timetable contains a number of deadlines for receipt of information by the Planning Inspectorate. All deadlines are at 23:59 on the date specified. Please ensure submissions arrive by the deadline. If you do not make your submissions by the dates specified in the timetable, we may disregard them.

We request that Interested Parties send, where practicable, electronic copies of their submission as email attachments to SouthamptontoLondonPipeline@planninginspectorate.gov.uk on or before the applicable deadline. Electronic attachments should be clearly labelled with the subject title and not exceed 12MB for each email. Providing links to websites where your submissions can be viewed is not acceptable. All submissions must be made in a format that can be viewed in full on the National Infrastructure Planning website. Any submissions that exceed 1500 words should also be accompanied by a summary; this summary should not exceed 10% of the original text.

If we consider it necessary to vary the Examination Timetable during the Examination, notification will only be sent to Interested Parties and Other Persons² invited to the Preliminary Meeting. The changes will be published on the Southampton to London Pipeline project page of the National Infrastructure Planning website.

Other Procedural Decisions

Annex B contains important details and clarifications about our other Procedural Decisions made at, or following, the Preliminary Meeting. These include:

- **Examination Timetable;**
- **Statements of Common Ground;**
- **Local Impact Reports;** and

Written Representations

All Interested Parties are now invited to submit Written Representations and any comments on the Relevant Representations already submitted. These should be submitted by Deadline 2, **Thursday 14 November 2019** in the Examination Timetable (**Annex A**).

Written Representations can cover any relevant matter and are not restricted to the matters set out in our Initial Assessment of Principal Issues discussed at the Preliminary Meeting and included in our Rule 6 letter³. Nor are they restricted to the content of our Written Questions (see next heading, below).

Any person, other than the Applicant, who submits a Written Representation must identify those parts of the application with which they agree and those parts with which they do not agree, explaining the reasons why⁴. Interested Parties should also

Further written submissions will be requested by the Examining Authority (ExA) at various points in the Examination.

Any Written Representations, and any further written submissions requested by the ExA in the course of the Examination which exceed 1500 words should also be accompanied by a summary which should not exceed 10% of the original text. The summary should set out the key facts of the written submission and must be representative of the submission made.

ExA’s Written Questions

We have compiled Written Questions (WQ) about the application and the representations received so far. These questions are published on the National Infrastructure Planning website and can be accessed through the following link:

Publication dates

All information received will be published on the project page of the National Infrastructure Planning website as soon as practicable after each deadline for submissions.

Hearing agendas

We will aim to publish a draft agenda for each hearing on the project page of the National Infrastructure Planning website at least five working days in advance of the hearing date. The actual agenda on the day of each hearing may be subject to change at the discretion of the ExA.

Procedural Decisions made by the Examining Authority

We have made a number of Procedural Decisions following the Preliminary Meeting¹:

1. Examination Timetable

We noted the request from a relevant planning authority to allow more time to produce its respective Local Impact Report (LIR); something which the Applicant drew to our attention in its letter of 25 September 2019 [AS-041]. This was not a request shared by all such authorities. The ExA has decided not to allow additional time as to do so would have serious consequences for the remainder of the timetable. Therefore LIRs must be submitted at Deadline 1, **Thursday 24 October 2019** as per the draft timetable as set out in our Rule 6 letter [PD-005].

The ExA has decided that Deadline 3, originally drafted for Wednesday 11 December 2019 in the Rule 6 Letter, should be moved back one week to **Wednesday 18 December 2019** so as to allow parties additional time to make written responses that may result from the Issue Specific Hearings.

We have accepted the request of a relevant planning authority to insert, at Deadline 5, **Thursday 13 February 2020** a request for submissions of draft planning obligations should it be applicable, with the final and signed obligations submitted at Deadline 7, **Thursday 2 April 2020** as per the draft timetable. We have also amended the requirements of the Applicant at Deadline 7 to ensure either comments on the Examining Authority's DCO be provided or a final Development Consent Order be provided.

2. Examining Authority's Written Questions

Some of our Written Questions (WQ) are directed to specific Statutory Parties which have not, at the time of writing, confirmed that they wish to become Interested Parties for the purposes of the examination of the application.

All relevant Statutory Parties will receive this correspondence and we request for each to check our WQs carefully in order that they may identify and respond to any questions posed to them. No party should feel inhibited or restricted in responding to any question we ask, even if it is directed elsewhere.

For the avoidance of doubt, Statutory Parties are defined as the parties listed in Schedule 1 to The Infrastructure Planning (Interested Parties and Miscellaneous Prescribed Provisions) Regulations 2015².

3. Statements of Common Ground (SoCG)

The Applicant is taking the lead in the preparation of SoCGs and it will aid the smooth running of the Examination if all Interested Parties who are participating in the preparation of SoCGs liaise and co-operate with the Applicant in respect of their

¹ Section 89(1) of the Planning Act 2008

² <https://infrastructure.planninginspectorate.gov.uk/legislation-and-advice/legislation/>

production. Final signed versions of the SoCGs listed below are requested to be submitted by Deadline 6, **Thursday 5 March 2020**.

1. The Environment Agency.
2. The Surrey Wildlife Trust and the Hampshire and Isle of Wight Wildlife Trust.
3. Natural England.
4. Affinity Water, Portsmouth Water, South East Water, Southern Water and Thames Water.
5. National Grid, UK Power Networks, Southern Gas Networks, Scottish & Southern Electrics, ES Pipelines, CLH Pipelines and Cadent Gas.
6. Network Rail.
7. Historic England.
8. The Highways Agency.
9. The Forestry Commission.
10. East Hampshire District Council; Eastleigh Borough Council; Hampshire County Council; Hart District Council; the London Borough of Hounslow; Runnymede Borough Council; Rushmoor Borough Council; the South Downs National Park Authority; Spelthorne Borough Council; Surrey County Council; Surrey Heath Borough Council and Winchester City Council.

The Examining Authority has accepted the Applicant's suggestion that matters concerning the Basingstoke Canal can be covered by both Hampshire County Council and/or Surrey County Council.

The Examining Authority notes the response received by the Health and Safety Executive (HSE) in its correspondence dated 23 September 2019 [AS-066] that it would not engage in the Examination and will not sign a SoCG with the Applicant. Nevertheless, the Examining Authority wishes to make a procedural decision for the Applicant to submit a draft SoCG with the HSE into the Examination.

All of the SoCGs listed above should cover the Articles and Requirements in the draft DCO. Any Interested Party seeking for an Article or Requirement to be reworded should provide in the SoCG the form of words which are being sought.

The content of SoCGs is necessary to help inform us as to the need to hold any Issue Specific Hearings and to enable us and the Applicant to give notice of such hearings at least 21 days in advance of them taking place.

4. Local Impact Reports (LIRs)

A LIR is a report in writing giving details of the likely impact of a Proposed Development on a local authority's area (or any part of that area). For more information about the importance and content of LIRs see our Advice Note One: Local Impact Reports³.

Local authorities⁴ are invited to submit LIRs by Deadline 1, **Thursday 24 October 2019**.

³ <https://infrastructure.planninginspectorate.gov.uk/legislation-and-advice/advice-notes/>

⁴ Defined in s56A of the Planning Act 2008

5. Accompanied Site Inspection (ASI)

Time has been reserved in the Examination Timetable to undertake an ASI on Tuesday 26 November 2019, with a reserved date of Thursday 28 November should it be needed.

We now invite comments from any Interested Party on suggestions for the ASI. The Examining Authority requests that this should be done after having read the Unaccompanied Site Inspection note [EV-004]. Requests by Interested Parties to attend the ASI should be provided to the same deadline. As explained in our Rule 6 letter, the Interested Parties attending the ASI will include representatives of the Applicant, relevant planning authorities, together with other Interested Parties (or their representatives).

It may be necessary to limit the numbers of persons who accompany us for logistical and safety reasons, but it should be possible for arrangements to be made for Interested Parties (or their representatives) to join the inspection at specified locations within the itinerary. Given the linear nature of the Proposed Development, the ExA considers that Interested Parties might not wish to attend all of the locations to be visited. Please contact the Case Team if you wish to meet the inspection at a specific location within the itinerary, or at a new location, as proposed in your comments.

The final itinerary for the ASI will be published on the project page of the National Infrastructure Planning website approximately one week before the inspection takes place.

Interested Parties should be aware that **ASIs are not an opportunity to make any oral representations to the ExA about the Proposed Development.** However, we may invite participants to indicate specific features or sites of interest.

Requests to Appear and Procedure to be Followed at Hearings

The Examination Timetable reserves two weeks; week commencing Monday 25 November 2019 and Monday 2 December 2019 for Hearings to be held. A further week commencing Monday 24 February 2020 is reserved should further hearings be deemed to be necessary. Formal notification of whether to hold Hearings will be made **by Monday 28 October 2019** (see **Annex A**). A decision as to whether to hold the February 2020 Hearings will be made at a later date.

Having considered the request made at the Preliminary Meeting for holding regionalised Issue Specific Hearings, the ExA has decided that holding such events is not practicable and as a consequence, Issue Specific Hearings will be held on a topic basis and at an appropriate location.

The ExA has reserved, and set out a draft running order for the November/December Hearings as follows:

Monday 25 November:	Open Floor Hearing to be held in the evening in the Farnborough/Lightwater area
Tuesday 26 November:	ASI (details to be confirmed)
Wednesday 27 November:	Issue Specific Hearing on draft Development Consent Order and Compulsory Acquisition Hearing
Thursday 28 November:	Reserve Date for ASI (if required)
Monday 2 December:	Open Floor Hearing (if required)
Tuesday 3 December:	Issue Specific Hearing on Environmental Matters
Wednesday 4 December:	Issue Specific Hearing on Environmental Matters
Thursday 5 December:	Open Floor Hearing (if required)

Requests to Appear at Hearings

Interested Parties are required to notify the Examining Authority in writing of their wish to take part in an Open Floor Hearing (OFH) or Compulsory Acquisition Hearing (CAH). We remind Interested Parties of the Procedural Decision issued with the Rule 6 letter requesting notification from Interested Parties in this regard on or before Deadline 1, **Thursday 24 October 2019**.

If no written requests to take part in an OFH or CAH are received by the above deadline, we are not required to hold such a hearing; although we may choose to do so nonetheless.

We may also choose to hold Issue Specific Hearings (ISH) about topics that we think need to be explored orally.

The time, date and place of any confirmed hearing will be notified in writing to all Interested Parties, providing at least 21 days' notice.

If an Interested Party wishes to attend an OFH or ISH they should indicate which topics in their Relevant Representation or Written Representation they wish to address at the hearing. Similarly, any Affected Person wishing to attend a CAH should identify clearly the plots of land about which they wish to speak.

Notifications from Interested Parties in respect of the above should be sent separately from any other written submission, and appropriately titled to allow us to quickly identify which event the notification relates to.

Procedure at Hearings

The procedure to be followed at hearings is set out in The Infrastructure Planning (Examination Procedure) Rules 2010¹. Any oral representations must be based on either the Relevant Representation or Written Representation made by the person by whom, or on whose behalf, the oral representations are made.

The ExA is responsible for the oral questioning of a person giving evidence and the process affords very limited scope to allow cross-questioning between parties². Our Examination will be principally undertaken through the exchange of written submissions, and we will decide whether a hearing on a particular issue or topic is necessary. This decision is not connected to how relevant or important we consider an issue or topic to be.

Hearing Agendas

We will aim to publish a draft agenda for each hearing on the project page of the National Infrastructure Planning website at least five working days in advance of the hearing date. The actual agenda on the day of each hearing may be subject to change at the discretion of the ExA.
