Dear Planning Inspectorate Team,

I would like to submit a suggested location to be considered for the Accompanied Site Inspection.

The location I wish to submit is within Section G – M25 to M3 of the proposed pipeline route and particularly the area of Canford Drive and Roakes Avenue in Chertsey.

I see no issue with access as both roads are public rights of way.

The reason for my submission is that I am a resident in Canford Drive and I want to ensure that the issues that I have included in my representation are witnessed first hand.

I would wish to attend the ASL at the requested location only.

If there is any further action I need to take in this regard please let me know.

I look forward to hearing back from you in due course.

Regards  
Steve English
