EN070005 - Application by Esso Petroleum Company, Limited for an Order Granting Development Consent for the Southampton to London Pipeline Project

Accompanied Site Inspection itinerary – Thursday 19 March 2020

The itinerary for the Accompanied Site Inspection can be found below.

Please note that the Examining Authority's (ExA) inspection of sites is **not** an opportunity to provide any oral representations on the project or discuss evidence. It is for the ExA to look at the physical features that can be seen on, or from the site. Participants may be invited by the ExA to point out specific features or sites of interest.

Joining the site inspection

The site inspection will commence at **10.00am** in the school car park which is situated to the left upon entering the main school gates off Church Road at St James Senior Boys' School, Church Road, Ashford, Middlesex, TW15 3DZ. Participants are asked to assemble promptly at the school car park; the ExA will not wait for parties who are not present at the start point at the notified time.

To ensure the smooth running of the ExA's inspection, attendees should provide contact details for the day, notify the Case Team if there are any changes in attendance, and ensure the Planning Inspectorate is made aware of any special access requirements for any participants. Please confirm attendance by emailing the Case Team at SouthamptontoLondonPipeline@planninginspectorate.gov.uk or by phoning Customer Services on: 0303 444 5000 by **Monday 16 March 2020**.

Clothing

In case of bad weather or wet underfoot conditions it is recommended that all attendees wear appropriate sturdy footwear, ideally with ankle support, and weather-proof clothing. The Applicant will ensure that hard hats, high visibility jackets, safety glasses and gloves will be provided to those in attendance when needed.

Sites on private land

Access onto private land is at all times by permission of the person controlling it; householders, occupiers and landowners may refuse to allow some persons accompanying the ExA onto their land. Under those circumstances, the ExA will decide whether or not to proceed with that part of the inspection and may ask those refused access to wait outside.

Refreshments

Please note refreshments will not be provided.

Cancellations

Please note that in the unlikely event that the Accompanied Site Inspection is cancelled due to unforeseen circumstances we shall endeavour to contact attendees beforehand, but we would ask that you regularly check the Planning Inspectorate’s website which can be viewed here:

<https://infrastructure.planninginspectorate.gov.uk/projects/south-east/southampton-to-london-pipeline-project/?ipcsection=overview>

Coronavirus (COVID-19)

[Planning Inspectorate advice regarding events has been published](#). Please check the National Infrastructure project page regularly for updated advice on Coronavirus / COVID-19 and participation in Accompanied Site Inspections.

Detailed itinerary for accompanied site inspection

Date	Time	Meeting Place	Notes
