Dear Hefin,

I had been listed to attend the above on behalf of Surrey County Council.

The reason for my suggested attendance was to understand any subsequent changes to the pipeline route on the North side of the railway (within the St James School land) and to review whether changes here would subsequently impact my clients land (Clarendon Junior School) which lies to the South of the railway.

Should you require anything further in the meantime, please do not hesitate to contact me.

Kind regards

David Moody MInstRE
