Dear Sirs,

Representation from Windlesham Parish Council in support of Deadline 7 submissions

I am writing on behalf of Windlesham Parish Council in support of the submissions made by both the Heronscourt and Colville Gardens Residents Associations and Surrey Heath Borough Council.

The Council has previously made written representation as part of the examination process and Councillors have supported the residents who will be so detrimentally impacted by the route selection.

The Council notes that both the residents' association and Surrey Heath Borough Council reject the proposed Turfhill SSP, a view which is fully endorsed by this Council, and we would strongly urge the Inspectorate to note and consider all the points raised in the submissions.

Yours faithfully,

Sarah Walker
Clerk to the Council
