Project-wide Engagement Meetings

HyNet North West

Meetings held with the wide project team (Pre, during and post consultation)

Title	Date	Main Recipient	Main Recipient Type	Secondary Recipient	Secondary Recipient Type	Key Knowledge Dissemination
CO ₂ NS-Consultation webinars	01/06/2021	Public	Public			Overview of HyNet project & CO ₂ pipeline consenting process
CO ₂ NS-Consultation LPA briefings	01/06/2021	CWCC & FCC	Regional Body			Overview of HyNet project & CO ₂ pipeline consenting process
Green Industry Skills Fair	09/06/2021	Greater Manchester's young people	Educational			HyNet introductory presentation and workshop on all the options for getting to net zero
Cheshire West and Chester: Developing a World Class Location for Net Zero Growth (BEN)	16/06/2021	National businesses and investors	Industry/Company	Government, local authorities, academia	Other	Overview of HyNet project and positioning of Cheshire to become the UK's main location for energy technologies
Ellesmere Port Development Board	16/07/2021	EP Development Board	Regional Body			Overview of HyNet project & progress update
Conservation without Borders film	16/07/2021	Public	Public	Conservation without Borders	Regional Body	Overview of HyNet and impact of industrial decarbonisation on climate change
CCSA Webinar	21/07/2021	CCSA	Other Cluster(s)	Public	Public	Overview of HyNet project
BEIS "Teach-in"	04/08/2021	BEIS, DIT, Defra	Government			A detailed session on the HyNet project

BEIS CCS Director visit to HyNet	23/08/2021	Alex Milward (BEIS CCS Director)	Government	Richard Denny, IPA	Government	Working session at TSP with representatives from all CCS partners; presentations and discussions
Hydrogen Demonstration at Pilkington Glass	24/08/2021	Regional / Political leaders	Government	BEIS	Government	Focus on hydrogen use in glass manufacturing, but in the context of HyNet project more widely
Cabinet Office - Levelling Up Unit Visit	24/08/2021	Cabinet Office Levelling Up Unit	Government			Overview of HyNet project and importance of the project to levelling up the Northwest
Net Zero Innovation Essex Roundtable	01/09/2021	Public	Public			Overview of HyNet project
Consortium meeting to present projects and review key lessons learnt from other parties in the consortium	07/09/2021					
IGEM Presentation	08/09/2021	IGEM	Industrial Body (eg. IChemE)			Overview of HyNet project and blue/green hydrogen briefing
Italian Embassy Event	08/09/2021	UK / Italian government	Government	Various industries/industry bodies	Industry/Company	Presentation and panel with UK and Italian representation from government, industry and media.
ENA Lunch and Learn presentation	10/09/2021	Other energy suppliers	Industrial Body (eg. IChemE)			Project Update
Business Growth Club: The impact of COP26 and regional sustainability	15/09/2021	Public	Public			HyNet overview and engaged discussion with members of the public

IGEM Young Persons - Hydrogen workshop	15/09/2021	IGEM YPN	Industrial Body (eg. IChemE)			HyNet Project Overview
Hydrogen Production: Unlocking a low carbon future with HyNet	16/09/2021	Public	Public			Focus on hydrogen production, but in the context of HyNet project more widely
Hydrogen production: unlocking a low carbon future with HyNet	16/09/2021	Webinar attendees	Industry/Company			Overview of HyNet hydrogen production plant 1 FEED.
IET Webinar	21/09/2021	Public	Public			Overview of HyNet project
Northwest Hydrogen Alliance members meeting	22/09/2021	NWHA members	Industrial Body (eg. IChemE)			Update on HyNet progress
COP26 Youth Summit	30/09/2021	Public	Public	UN	Global Body	A brief presentation on HyNet and the importance of hydrogen & CCS in decarbonisation, with Q&A
Macquarie Green Energy Conference	05/10/2021	Macquarie	Industry/Company			Overview of HyNet project and blue/green hydrogen briefing
Meeting with Justin Madders MP and Mick Whitley MP	06/10/2021	Justin Madders MP and Mick Whitley MP	Other			HyNet overview and importance to the strategic decarbonisation of the Stanlow Manufacturing Complex
Net Zero Roundtable	14/10/2021					
Business Live News Wales	14/10/2021	Readers of the magazine	Public			HyNet overview
Energy Network Innovation Conference (ENIC) Presentation	14/10/2021	Other energy suppliers and public	Public			Project Update

Welsh Hydrogen Reference Group	18/10/2021	Industry and public sector involved in hydrogen across Wales	Regional Body			Update on HyNet project and benefits to Wales
Decarbonised Gas Alliance COP26 tour	20/10/2021	Invited guests including industry and local politicians	Other			HyNet overview
Mersey Maritime Policy Forum	03/11/2021	Mersey Maritime Members	Industrial Body (eg. IChemE)			Overview of HyNet. Follow-up article in Liverpool Business News. https://lbdaily.co.uk/mersey-industry-giants-sign-up-for-hydrogen-switch/
COP26 Northwest Regional Roadshow	04/11/2021	Public	Public	Various industries/industry bodies	Industry/Company	Panel member - presented an overview of HyNet and its impact on the decarbonisation of the NW
Energy transition in Wales event	04/11/2021	Public	Public	Welsh Government	Government	Panel member - presented an overview of HyNet and the opportunities it is bringing to North Wales
Chester Sustainability Forum COP26 event	06/11/2021	Public	Public			A presentation about HyNet plus all day presence with a stand to talk to members of the public about the project.
Climate Change Careers	11/11/2021	Students	Educational			Careers opportunities in sustainable energy and technologies - especially what large projects like HyNet will deliver

Earl of Wessex Future Energy Conference	15/11/2021	Members of the Fuellers Livery Company inc HRH the Earl of Wessex	Industrial Body (eg. IChemE)			Panel member on energy storage - presented an overview of HyNet, plus a specific introduction to hydrogen storage / HyKeuper
Prolific North & Netsells Roundtable on The Future of Transport & Mobility	17/11/2021	Various transport-industry and associated figures including Metrolink, Northern Rail, Arup, ICE	Other			Potential for low carbon hydrogen in transport solutions
Perspectives on hydrogen infrastructure	17/11/2021	IGEM NW Members	Industrial Body (eg. IChemE)	Supply Chain	Industry/Company	The chemical process of producing Blue Hydrogen advances in efficiency over historical data sets
HyNet Hydrogen Production	19/11/2021	Professional Engineering magazine	Industrial Body (eg. IChemE)			Overview of HyNet
Wales Climate Week - Industrial decarbonisation – moving towards Net Zero	23/11/2021	Public	Public	Various industries/industry bodies	Industry/Company	Update on HyNet project
Physics and the Green Economy - Institute of Physics	23/11/2021	IoP members	Industrial Body (eg. IChemE)			Overview of HyNet project
Northwest Hydrogen Alliance members meeting	24/11/2021	NWHA members	Industrial Body (eg. IChemE)			Update on HyNet progress
Business News Wales	01/12/2021	Public	Public			HyNet overview

LCR Climate Partnership	03/12/2021	LCR Climate Partnership	Regional Body	FoE	Other	Update on HyNet project
Environment and Economy Overview & Scrutiny Committee - Flintshire	07/12/2021	Flintshire CC	Regional Body			HyNet overview
DIT Supply Chain working discussion	07/12/2021	DIT	Government			Regular working discussion between HyNet and DIT on supply chain opportunities and 'meet the specifier' events
Briefing to a meeting of Cheshire West & Chester Councillors meeting	09/12/2021	Councillors	Other			Overview of HyNet project, importance to the economy of CWCC/MDA, consenting process
North Wales Mersey Dee Business Alliance Council	16/12/2021	Members of the NWMD Business Council	Regional Body			HyNet update
BBC Radio Wales - COP26 legacy panel discussion	31/12/2021	Public	Public			Impact of HyNet and similar projects, value to Wales
Working discussion with ECITB	11/01/2022	ECITB regional lead	Industrial Body (eg. IChemE)			Working group discussion on how ECITB and HyNet can work together to close the construction skills gap
STEM - Careers in Clean Energy (Cadent Foundation)	13/01/2022	Liverpool schools	Educational			Talking to local Yr 9 students about my career in engineering, the HyNet project, and encouraging them to explore careers in clean energy

Net Zero Energy and Generation Conference	18/01/2022	Conference attendees	Other			HyNet status update
IDRIC Policy Forum	21/01/2022	IDRIC	Educational	Other industrial clusters	Other Cluster(s)	Input to IDRIC policy priorities, in collaboration with other decarbonisation clusters
Chemicals Northwest	27/01/2022	Chemicals NW	Regional Body			HyNet overview and update on progress
STEM - host for students at HyNet	31/01/2022	Local school children	Other			Discussion on careers and HyNet at TSP, followed by Encirc site tour
HyNet Debate	03/02/2022	Public	Public			Public debate on the merits of HyNet, hosted by Chester Sustainability Forum, participation from Chris Matheson MP, Friends of the Earth, the Green Party, CWCC councillors
Levelling Up Sustainable workshop - delivering a Green Industrial Revolution and decarbonising our economy	03/02/2022	Cheshire & Warrington LEP	Regional Body			How HyNet and other projects contribute to the regional levelling up agenda
HyNet briefing for Director General of DIT	04/02/2022	DIT	Government	LCR CA	Regional Body	Update on HyNet, discussion on supply chain and export opportunities
Radio interview on Northwich Radio	04/02/2022	Public	Public			Project Update
HyNet Hydrogen Users Group (HUG)	08/02/2022	HUG members	Industrial Body (eg. IChemE)			Update on progress on hydrogen network and production (Vertex)

Briefing to Labour members of CWCC council	10/02/2022	CWCC Councillors	Other			Overview of HyNet, public consultations and planning, formation of Vertex Hydrogen
HSE Introductory Meeting - Project Overview Presentation	10/02/2022	HSE	Government			Project Update
Local Planning Authority Presentation on project	11/02/2022	LPA Representatives	Government			Project Overview
CO ₂ Pipeline Statutory Consultation	15/02/2022	Public	Public			Multiple in-person and online events were held in February and March
H ₂ Pipeline Statutory Consultation	15/02/2022	Public	Public			Multiple in-person and online events were held in February
NWHA members meeting	15/02/2022	NWHA members	Industrial Body (eg. IChemE)			Update on Vertex, discussion on regional hydrogen developments
Public Consultation Events - Mere Community Club	15/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - The Fuse ROC Centre	15/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - Anderton Village Hall	16/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - Widnes Cricket Club	16/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Innovation & Investment in Energy Summit	17/02/2022	Frontier members	Industry/Company	Potential investors	Other	Introduction to the HyNet project and Track 1 clusters,

						with Andy Lane and Martin Currie
Public Consultation Events - Webinar	17/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - Webinar	22/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - Warrington Football Club	23/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Foresight Hydrogen Production Conference	24/02/2022	Conference attendees	Other			Hydrogen production plans
Public Consultation Events - Word of Glass	24/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - St Johns Church	25/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Public Consultation Events - Whittleby Village Hall	26/02/2022	Public	Public			Non-Stat consultation with the public including routing options
Hanson UK making net zero cement a reality	02/03/2022	Construction Industry	Public			HyNet overview and net zero cement production
IChemE Clean Energy SIG	03/03/2022	IChemE members	Industrial Body (eg. IChemE)			HyNet overview and Q&A
Roundtable event: the journey to Net Zero	03/03/2022	LCR, Northern Powerhouse	Government			EY and The Northern Powerhouse Partnership are delighted to invite you to join Mayor Steve Rotheram, Peter Arnold, EY UK Chief Economist, and

						representatives from the civic and business community for a roundtable event to discuss the actions we can take, and commitments we can make to accelerate the journey towards a net-zero future in our Region.
Let's Talk Sustainability	10/03/2022	Customers, influencers, legislators and specifiers in the cement industry	Industry/Company			Hanson event to educate a wide range of interested parties on Padeswood CCS and HyNet
Utility Week building hydrogen business models feature	16/03/2022	Readers of the magazine	Industry/Company			Innovative collaborative ways of working. Opportunities and challenges of hydrogen business models. HyNet and NWhA
North Wales Business Club Briefing	17/03/2022	North Wales Business Stakeholders	Other			Eni's role within Hynet and wider Hynet overview
Ellesmere Port Development Board - update	18/03/2022	Board members	Regional Body	CWCC	Other	Update on HyNet status
Mersey Dee Alliance Board update	24/03/2022	Board members	Regional Body			Update on HyNet status
Careers Breakfast - Kings School Chester	25/03/2022	Students	Educational			Careers opportunities in engineering and sustainable energy and technologies - especially what large projects like HyNet will deliver

Hydrogen economy research - Sheffield Hallam University	25/03/2022	Prof William Eadson	Other			Interview for research
HyNet Supply Chain Engagement	29/03/2022	Supply chain	Industry/Company			HyNet introduction and presentations from all partners on supply chain needs and upcoming activities
Research interview for IDRIC by the University of Sussex on industrial decarbonisation	29/03/2022	Marfuga Iskandarova	Other	IDRIC	Other	Interview for research
Hydrogen Tech Expo	31/03/2022					
NWHA Myth busting webinar	05/04/2022	NWHA members	Industrial Body (eg. IChemE)			Busting various myths about hydrogen
Project Management Institute, UK Chapter	06/04/2022	PMI Members	Industrial Body (eg. IChemE)			CO ₂ Storage in the UK – The HyNet NW Project
North Sea Transition Authority / East of England Energy Group - Energy Transition Event	06/04/2022	Supply Chain	Industry/Company	Other industrial clusters	Other Cluster(s)	HyNet Overview & Upcoming Work Packages to be tendered for the development of HyNet
TV interview on the release of Energy Security Strategy	07/04/2022	Public	Public			Welcome the strategy and explain how HyNet is delivering on objectives for decarbonisation and energy security
UKCCSRC Conference	21/04/2022	UKCCSRC	Industrial Body (eg. IChemE)			HyNet overview and delivery
BEIS Nuclear Stakeholder Briefing Event	29/04/2022	BEIS	Government			

MJ Awards - final	29/04/2022	Government	Government			Supporting CWC in their submission for the MJ awards (local government climate change recognition)
Public seminar - WEF	18/05/2022	BEIS	Industrial Body (eg. IChemE)			Networking
EU GPA Hydrogen Webinar	19/05/2022	EU GPA members	Industrial Body (eg. IChemE)			
Green Expo Chester - investment conference	16/06/2022	Delegates	Industry/Company			HyNet delivery
First IDRIC Partner & Stakeholder Forum	06/05 - 09/05 2022	IDRIC Partners and Stakeholders	Industrial Body (eg. IChemE)			Northwest representation

A3 CWCC Meetings

HyNet North West

CWCC

Meeting Date	Meeting Format	Attendees/ Organisation	Key Points	Next Steps and Outcomes
07/04/2021	Teams call	WSP, CWCC, FCC, Axis, PEL, Eni	Presentation on HyNet NW CO ₂ Pipeline; Planning Performance Agreements; Standing Agenda; Follow up meetings	Actions for Applicant: - To share PPA templates and Standing Agenda with CWCC
14/05/2021	Teams call	WSP, CWCC	Introduction to the project from a traffic and transport perspective	Keep in touch, will follow up on survey locations and dates
27/04/2021	Teams call	WSP, CWCC, Axis, PEL, Eni	Actions from the Last meeting; Feedback on PPA template; Info request on GIS data; Programme update; Scheme design update; non-statutory consultation update; Feedback on standing agenda template	Actions for Applicant: - To confirm GIS data requirements, confirm updated programme dates, and Schedule of meetings. CWCC have time/resource pressures in the planning team, which may impact timescales in PPA
26/05/2021	Teams call	WSP, CWCC, FCC, Axis, PEL, Eni	DCO actions from the previous meeting; Programme update; Non-statutory consultation; Environmental update; Summary of TCPA items to follow	Actions for Applicant: - To review financing strategy for PPA, review affected ward/parish areas within CWCC, send key headlines from ecology to CWCC officer
27/05/2021	Teleconference	Mark Leah (Cheshire Archaeology) (plus WSP, CPAT (for Flintshire), Historic England, & Cadw)	Approach to Cultural Heritage assessment	N/A

30/06/2021	Teams call	WSP, CWCC, FCC, Axis, PEL, Eni	Actions from the Last meeting; Review of PPA's; Non-statutory /scoping consultation; Scheme update; Programme; Early design review - TCPA	Actions for Applicant: - To update PPA's with the latest programme dates and reissue. CWCC need a different approach to make PPA work
12/07/2021	Teams call	WSP, CWCC, FCC, Axis, PEL	Call to discuss the format of PPA for CWCC	Actions for Applicant: - To draft an updated PPA which is more task-based in approach and meets CWCC's position better. Agree with the scheme but have concerns regarding missing timescales if using standard PPA given resourcing constraints.
28/07/2021	Teams call	WSP, CWCC, FCC, PEL	Actions from the Last meeting; Scheme update; Environmental update; Statements of Common Ground; Summary of TCPA items to follow	Actions for Applicant: - issue non-stat consultation report to the group, issue SOCG template, keep case officers copied into meeting requests with LPA. CWCC PPA aiming to be agreed for September.
08/09/2021	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Route options update; Environmental update; Statements of Common Ground; TCPA scoping opinion	Actions for Applicant: issue non-stat consultation report to the group, issue SOCG template for review. CWCC warned that may need to proceed without a PPA in place. The recent HyNet presentation with the CWCC planning committee went positively, with good questions asked.
29/09/2021	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Consultation update; Design update; Planning & Environment update; TCPA update	Actions for Applicant: circulate minutes from meeting on 15 Sept re noise & vibration monitoring, queries on mineral allocation to be sent over, issue non-stat consultation report to the group. CWCC agreed that PPA is on hold for now

02/11/2021	Teams call	WSP, CWCC, PEL, Eni	Actions from the Last meeting; Programme; Planning & Environment update	Actions for Applicant: SoCC being circulated for LPA review & comment, and a briefing note for EIA methodology for cumulative assessment is to be sent out. CWCC asked about the redaction of text - this was done for hydrogen plant application & caused suspicion amongst residents.
11/11/2021	Teams call	WSP, CWCC	Discussion on traffic survey locations included in the PEIR	N/A
08/12/2021	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; Planning & Environment update; Programme update; TCPA update	Actions for Applicant: To share key programme milestones with LPAs, send out 2022 meeting invites and LIQ/cover letter to CWCC. CCC asked when PEIR will be ready so they can plan resources, confirmed will be in Feb and will update if any meetings are required ahead of stat consultation.
06/01/2022		CWCC, PEL	HyNet discussions with CWCC senior representatives	N/A
20/01/2022		PEL, Cheshire and Warrington LEP	HyNet presentation	N/A
26/01/2022		WSP, CWCC, Natural England	Great Crested Newt District Licensing for England	N/A
26/01/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; 3. Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update	Actions for Applicant: To send CWCC SoCG when ready, send SOCC, send BG a plan and details of the traveller site area, and get in touch with Dawn Taylor who is a Cheshire Partnership Gypsy Traveller Coordinator based at CWCC about the traveller site. CWCC agreed to look at applications around the traveller site south of Stanlow Refinery/A5117 School Lane as it appears to have expanded further west.

25/02/2022	Email	Cllr Simon Eardley, Cllr Graham Heatley, Cllr Margaret Parker, Cllr Robert Bisset, Cllr Karen Shore	Email asking Cllr Eardley to let constituents know about the upcoming exhibitions	N/A
01/03/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update;	Actions for Applicant: Forward any info via the HyNet Hub from the officers/local members of the council who have been consulted. There doesn't appear to be a planning application for the site (south of Stanlow Refinery/A5117 School Lane) where the traveller camp has extended into. Enforcement action is underway.
01/03/2022	Email	LLFA at Cheshire West and Chester	Information request to complete the Flood Risk Assessment 1. Watercourses; 2. Flood defences; 3. Flood records; 4. Surface water; 5. Other queries	N/A
14/12/2021	Teams call	WSP, CWCC	Review of viewpoints for landscape assessment	Design to be influenced to reduce impacts on mature trees. BNG is to be discussed further when more information is available.
01/03/2022		WSP, PEL, CWCC, FCC	DCO Application; DCO Actions from the previous meeting; Update from Statutory Consultation; Planning & environment update; Programme; Summary of TCPA issues to follow	N/A

24/03/2022	Teams call	WSP, CWCC, PEL	Transport and access	CWCC need to understand the detail in terms of construction traffic routes, access locations and crossing points and diversions
29/03/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statutory Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update	Actions for Applicant: Draft SoCG, contact Historic England re. the Scheduled Monument. CWCC believe engagement with Historic England on the scheduled monument is needed.

A4 FCC Meetings

HyNet North West

FCC

Meeting Date	Meeting Format	Attendees/ Organisation	Key Points	Next Steps and Outcomes
07/04/2021	Online	WSP, CWCC, FCC, Axis	Introductions; Presentation on HyNet NW CO ₂ Pipeline; Planning Performance Agreements; Standing Agenda; Follow-up meetings	Actions for Applicant: - To share PPA template, Schedule of Meetings and Standing Agenda with FCC
27/04/2021	Online	WSP, FCC, Axis	Actions from the Last meeting; Feedback on PPA template; Info request on GIS data; Programme update; Scheme design update; Non-statutory consultation update; Feedback on standing agenda template; Feedback on TCPA Consenting Strategy note	Actions for Applicant: - To confirm GIS data requirements, confirm updated programme dates, update standing agenda template, discuss with comms team FCC concern over scoping/non-stat timescales, discuss the consenting approach with Burges Salmon, review PoA terminal position re HSC and COMAH, review red route to consider planning implications. Concern over timescales in the programme for scoping consultation and non-stat being close together
12/05/2021	Teams call	WSP, FCC (Sue Thomas and Colin Simpson)	Introduction to the project from a traffic and transport perspective	Keep in touch, will follow up on survey locations and dates
26/05/2021	Online	WSP, FCC, Axis	TCPA actions from the previous meeting; Programme update; PPA Feedback – FCC; Environmental update	Actions for Applicant: - To review financing strategy for PPA, check if Cappenhurst consulted with stakeholder team, review draft PPA comments from FCC, review consenting strategy on outline/hybrid application and single/multiple application options, discuss HSC, COMAH and red route point further with Eni. Specific concerns were raised by Cabinet members that Flintshire won't get benefits from the early stages of the project. FCC officers offered to attend community council meetings and could potentially give a presentation to talk about the process.

27/05/2021	Teleconference	Mark Walters (CPAT), Sophie Watson (CPAT) (plus WSP, Cadw, Historic England, Cheshire Archaeology (for Cheshire West and Cheshire East))	Approach to Cultural Heritage assessment	N/A
30/06/2021	Teams call	WSP, CWCC, FCC, Axis, PEL, Eni	DCO Actions from the Last meeting; Review of PPA's; Non-statutory /scoping consultation; Scheme update; DCO Programme; Early design review - TCPA; TCPA actions from the previous meeting; TCPA Programme	Actions for Applicant - To update PPA's with the latest programme dates and reissue, review TCPA scoping file size. PPA's progressing well with FCC, CWCC need a different approach to make PPA work.
28/07/2021	Teams call	WSP, FCC, PEL	DCO Actions from the Last meeting; DCO Scheme update; Environmental update; Statements of Common Ground; Summary of TCPA items to follow; TCPA Actions from the previous meeting; TCPA Scheme update; Environmental update; Marine works licence	Actions for Applicant: - issue non-stat consultation report to the group, issue SOCG template, keep case officers copied into meeting requests with LPA, Axis to set up a meeting with FCC to review drawing pack/validation requirements in September. PPA for FCC is likely to be agreed upon for August.

25/08/2021	Teams call	WSP, FCC, PEL	FCC site allocations - emerging Local Plan & FCC concerns that route option I for River Dee crossing is overlapping with a gypsy/traveller site, community allocation and potential access for Welsh Govt road improvements over A494 bridge. Advised we need to avoid going through these sites as this could affect the soundness of the Local Plan currently undergoing examination.	Actions for Applicant: information will be included in FCC scoping opinion. NC to factor allocations into route options appraisal work. WSP/PEL advised that still undergoing route appraisal, but the current analysis appears more favourable for the southern option (G). Scoping boundary is also up to 100m in places so there is an opportunity to narrow down and avoid allocation.
08/09/2021	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Route options update; Environmental update; Statements of Common Ground; TCPA scoping opinion	Actions for Applicant: issue non-stat consultation report to the group, issue SOCG template for review. FCC legal team is happy with PPA, just needs final signoff. Route options - FCC preference for the option I to avoid emerging LDP allocations. FCC content with TCPA approach as explained.
29/09/2021	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Consultation update; Design update; Planning & Environment update; TCPA update	Actions for Applicant: to circulate minutes from meeting on 15 Sept re noise & vibration monitoring, SOCC to be issued for review, issue non-stat consultation report to group FCC LDP timescales - unlikely that the examination will have concluded before Dec 2020, with the phosphate issue to resolve with Wrexham BC. FCC to follow up with EPO officer regarding why they didn't attend the noise and vibration meeting
03/11/2021	Teams call	WSP, FCC, PEL, Eni	Actions from the Last meeting; Design update; Programme; Planning & Environment update; TCPA update	Actions for Applicant: SoCC being circulated for LPA review & comment, a briefing note for EIA methodology for cumulative assessment to be sent out. TCPA updated consenting approach explained to FCC - 3 options re the BVS. FCC thought option 1 was overkill but suggested option 4 (separate TCPA apps for each BVS).

				Agreed to have a separate call to run through in more detail.

08/12/2021	Teams call	WSP, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update;	Actions for Applicant: To share key programme milestones with LPAs, send out 2022 meeting invites, review Ewloe housing allocation that overlaps with order limits and confirm if it can be removed. FCC aiming to send over the signed PPA asap. They also confirmed it looks like some councillors are coming on the side. FCC is putting together a briefing note to send to councillors regarding the LIQ process. HP noted that order limits still overlap with allocation in Flintshire LDP and asked if this could be removed. TCPA- current approach is twin-tracking BVS, but the potential to remove from TCPA application. GN confirmed they would prefer a detailed application for Point of Ayr if possible (compared to the outline app) but accepted there are varying consenting routes.
26/01/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update;	Actions for Applicant: To send SOCC, send GIS shapefile of statutory consultation boundary. TCPA - AR to send a meeting invite to HP. FCC to chase the progress of the PPA for FCC and provide an update on the Emerging Flintshire Local Plan. TCPA - HP acknowledged that the elevation plans seemed to show positive landscape effects due to the reduction in equipment.

01/03/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statement of Community Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update;	<p>Actions for Applicant: Forward any info via the HyNet Hub from the officers/local members of the council who have been consulted.</p> <p>HP will speak with the Welsh Language Team in the Council on the need for application documents to be submitted in Welsh.</p> <p>HP to search for plans of the original PoA terminal planning permission.</p> <p>HP explained that the Flood Team at FCC is under-resourced.</p>

29/03/2022	Teams call	WSP, CWCC, FCC, PEL, Eni	Actions from the Last meeting; Statutory Consultation; Planning & Environment update; Programme update; TCPA actions from the previous meeting; TCPA planning & Environment update;	Actions for Applicant: Send through the SCL parcels to FCC, review Paul Brockley's LIQ for info on SCL. FCC legal team reviewing the PPA. FCC believe a Welsh Language Assessment should take place for the DCO (despite not being mandatory). FCC does not believe there is a policy conflict with the green barriers policy (this will be confirmed via a statement from the council). FCC to undertake an internal pre-app process for the TCPA application and communicate this to the Applicant. NRW will be the main consultee for water/flood issues, but FCC will still get in touch with the WSP Water team.
04/04/2022	Teams call	WSP, FCC, PEL	Transport and access	FCC need to understand the detail in terms of construction traffic routes, access locations and crossing points and diversions
