## 1.1. PURPOSE OF THIS DOCUMENT

- 1.1.1. This draft Statement of Common Ground (SoCG) has been prepared by Liverpool Bay CCS Limited (the Applicant) and Cadent Gas (Cadent)
- 1.1.2. For the purpose of this draft SoCG, the Applicant and Cadent will jointly be referred to as the 'Parties'.
- 1.1.3. The purpose of this draft SoCG is to set out the agreement that has been reached between the Parties in respect of a number of matters related to the Development Consent Order (DCO) Proposed Development. It also lists any points on which discussions are ongoing. SoCGs are an established means in the DCO planning process of allowing all Parties to identify and so focus on specific issues that may need to be addressed during the examination.
- 1.1.4. **Chapter 2** of this draft SoCG records the consultation undertaken with Cadent by the Applicant. **Chapter 3** of this draft SoCG sets out the areas of agreement in relation to the above matters, and any areas of ongoing discussion between the Parties.

## 1.2. THE DCO PROPOSED DEVELOPMENT

- 1.2.1. HyNet (the Project) is an innovative low carbon hydrogen and carbon capture, transport and storage project that will unlock a low carbon economy for the North West of England and North Wales and put the region at the forefront of the UK's drive to Net-Zero. The detail of the project and the DCO Proposed Development can be found in the main DCO documentation. The DCO Proposed Development and this SoCG relate to the onshore CO<sub>2</sub> pipeline element of HyNet only. Other elements of HyNet are subject to separate consenting processes and are not addressed here.
- 1.2.2. Cadent is promoting the hydrogen pipeline element of HyNet. The DCO Proposed Development impacts Cadent primarily as a statutory undertaker, assets owner, land rights holder and landowner /developer of the proposed hydrogen pipeline DCO project.
- 1.2.3. The Applicant has identified the following plots in which Cadent Gas hold an interest:  
*2-04, 2-04a, 2-05, 2-06, 2-08, 2-12, 2-13, 3-01, 3-02, 3-03, 3-13, 3-14, 3-15, 4-01, 4-02, 4-05, 6-09, 6-20, 6-22, 6-24, 6-25, 9-01, 9-03, 9-05, 9-06, 9-07, 9-08, 9-09, 9-10, 9-12, 9-13, 9-14, 9-15, 9-18, 9-19, 9-20, 10-01, 10-04, 10-12, 12-05*
- 1.2.4. A full description of the DCO Proposed Development is detailed in Chapter 3 of the Environmental Statement (ES) **[APP-055]**.

## 1.3. TERMINOLOGY

- 1.3.1. In the Issues tables in **Chapter 3** of this draft SoCG, 'Agreed' and 'Not Agreed' indicates a final position, and 'Under Discussion' indicates where these points will be the subject of on-going discussion wherever possible to resolve or refine, the extent of disagreement between the Parties.
